ABSTRACT

Statistical tables present data on the distribution of 1980-81 high school graduates of New York State's public and private high schools as of the Fall of 1981. Table 1 shows trends in the rates of entrance into degree-granting institutions and other types of postsecondary education from 1967 to 1981. Table 2 presents trends in the rates of entrance into postsecondary educational institutions within and outside New York State from 1972 to 1981. Tables 3, 4, and 5 indicate the distribution of 1980-81 high school graduates of New York State public schools, private schools, and both public and private schools, respectively, according to whether they were in postsecondary education, in employment, in the military, or engaged in other activities. The last three tables show data by county within each region of New York State. (MJL)

The State Education Department does not discriminate on the basis of age, color, creed, disability, marital status, veteran status, national origin, race, or sex in the educational programs and activities which it operates. This policy is in compliance with Title IX of the Education Amendments of 1972.

Inquiries concerning this policy may be referred to the Department's Affirmative Action Officer, Education Building, Albany, NY 12234.

INTRODUCTION

The following tables present data concerning the distribution of 1980-81 high school graduates of New York State's public and nonpublic schools. The data were secured through the Education Department's Basic Educational Data System and reflect the status of graduates, as reported by school principals, in the fall of 1981.

Table 1 presents trends in the college-going rate of high school graduates from 1967 through 1981. Table 2 shows a 10-year trend of the college-going rate, within and outside New York State.

Tables 3, 4 and 5 show, respectively, the distribution of 1980-81 high school graduates of public schools, nonpublic schools, and public/nonpublic schools combined. These tables are arranged by county within geographic region.
